ABOUT US

Sterling Advanced Trading Company (SATCO) is a trusted industrial trading and supply company providing quality solutions across safety equipment, piping, valves, electrical products, tools, lifting systems, industrial accessories, and consumables. We focus on reliable products, trusted brands, competitive value, responsive service, and timely supply to support the needs of industrial, construction, oil & gas, infrastructure, and maintenance sectors.

VISION

To be a trusted and preferred trading partner, recognized for delivering high-quality industrial products, innovative solutions, and dependable service that contribute to the success of our customers and industries.

MISSION

To provide reliable products and value-driven trading solutions through trusted global brands, professional expertise, responsive service, and long-term customer partnerships while continuously meeting the evolving needs of the industrial sector.

PRODUCT CATEGORIES

SAFETY EQUIPMENTS

Reliable safety products designed to protect workers and workplaces, including PPE, fall protection, fire safety, spill control, and industrial safety accessories.

ELECTRICAL SOLUTIONS

Quality electrical products including lighting, wiring accessories, cables, conduit systems, panels, circuit protection, earthing, and testing equipment.

PRECAST SOLUTIONS & INDUSTRIAL TOOLS

Practical solutions for precast and construction applications, including spacers, lifting and anchoring products, slings, measuring tools, hand tools, power tools, and industrial consumables.

INDUSTRIAL PIPING & FLOWLINE SOLUTIONS

A complete range of pipes, fittings, flanges, valves, fasteners, hoses, and couplings for industrial fluid handling and flowline applications.

SAFETY EQUIPMENTS

HEAD & FACE PROTECTION

- Industrial safety helmets – vented / unvented
- With ratchet suspension, chin strap
- Full face shields and visor holders
- Safety goggles & impact-resistant eyewear

BODY & WORKWEAR

- Flame-retardant (FR) coveralls
- Chemical-resistant suits
- Disposable coveralls
- Reflective safety vests
- Industrial work pants and shirts

FALL PROTECTION

- Full body harnesses
- Double lanyards with energy absorbers
- Self-retracting lifelines (SRL)
- Rope grab and vertical lifeline systems
- Scaffold safety kits

HEARING PROTECTION

- Ear plugs (corded / uncorded)
- Adjustable earmuffs (headband / helmet mount)

RESPIRATORY PROTECTION

- Disposable dust masks
- Half and full-face respirators with cartridges
- Self-contained breathing apparatus

SPILL CONTROL SOLUTIONS

- Oil spill kits (wheelie bin type)
- Chemical spill kits (hazmat yellow)
- Absorbent pads, rolls, socks, pillows
- Granular absorbents

FIRE PROTECTION EQUIPMENT

- ABC dry chemical, CO₂ and foam extinguishers
- Trolley-mounted extinguishers
- Fire blankets (various sizes)
- Fire hose reels and cabinets
- Fire pumps
- Detectors — smoke, CO and heat
- Fire alarm control panel

HAND PROTECTION

- Nitrile, latex, vinyl gloves (general purpose)
- Cut-resistant, impact-resistant gloves
- Chemical-resistant gloves (neoprene, PVC, nitrile)
- Electrical insulated gloves
- Welding gloves

FOOTWEAR PROTECTION

- Safety shoes (steel toe / composite toe)
- Rigger boots
- Gum boots (chemical / waterproof)

SAFETY CABINETS & INDUSTRIAL STORAGE

- Flammable storage cabinets (FM approved)
- Corrosive storage (blue / polyethylene)
- Toxic / acid storage units

INDUSTRIAL SITE SAFETY ACCESSORIES

- MSDS cabinets and document boxes
- Lockout/Tagout (LOTO) systems
- Safety signage and boards
- First aid boxes and trauma kits
- Barrier cones, chains and retractable belt barriers

ELECTRICAL SOLUTIONS

LIGHTING & FIXTURES

- LED Floodlights • High Bay Lighting
- Emergency Lighting • Industrial Indoor Lighting
- Outdoor Lighting Units • LED Panels
- Tubes • Fittings • Drivers • Sensors

PRECAST SOLUTIONS & INDUSTRIAL TOOLS

SPACERS & POSITIONING

- Normfix, Wheel, Chair and Clip Spacers
- Pipe Spacer • PVC Cone
- Hollow Core Cap • Rebar Protection Caps
- Chamfers (PVC, Steel) • Shimpads • Backup Rod

WIRING DEVICES & ACCESSORIES

- Sockets • Modular Switches • Plug Extensions
- Power Distribution Boards
- Multisocket Systems
- Surface & Flush Mounted Fittings

CABLES & WIRES

- LV Power Cables (THHN, NYA, flat cables)
- Instrumentation & Control Cables (multicore, screened)
- Data & Telecom Cables (CAT5e, CAT6, telephone, coaxial)
- Flexible & Fire-Resistant Wires

LIFTING & ANCHORING

- Lifting Sockets • Flat Plate Anchors
- Wavy Tail Anchors • Spread Anchors
- Two-Hole Anchors • Erection Anchors
- Lifting Loops • Stud Systems • Fixing Sockets
- Sandwich Panel Anchors • Rubber Recesses

WIRE ROPE & CHAIN SLINGS

- 1 to 4 Leg Wire Rope Slings (IWRC)
- Chain Slings with Hooks • Turnbuckles
- Shackles • Clamps • Wire Rope Clips
- Webbing Slings

CABLE MANAGEMENT & CONDUIT SYSTEMS

- PVC, EMT, and GI Conduits • Trunking
- Ladder Trays • Perforated Trays
- Cable Glands
- Ferrules
- Cable Lugs & Ties

ELECTRICAL PANELS & CIRCUIT PROTECTION

- Power Distribution Panels (LDB, MDB, Control Panels)
- Junction Boxes • Panel Boards
- Enclosures • Circuit Breakers (MCB, MCCB, RCD)
- Isolators • Surge Protectors
- DIN Rail Accessories

MEASURING & TESTING EQUIPMENT

- Measuring Tapes • Spirit Levels
- Vernier Calipers • Multimeters
- Clamp Meters • Insulation Testers
- Thermometers • Voltage Detectors

CONSUMABLES & ACCESSORIES

- Cutting Wheels • Grinding Discs • Drill Bits
- Welding Rods • Electrodes • Abrasive Paper
- Sealants • Tapes • Adhesives • Lubricants

EARTHING & LIGHTNING PROTECTION

- Copper-bonded Earthing Rods
- Busbars • Lightning Arrestors
- Ground Clamps & Conductors
- Earth Pit Inspection Chambers

INDUSTRIAL TOOLS & SITE HARDWARE

- Cable Pulling Tools • Testers • Multimeters
- Clamp Meters • Insulation Testers
- Voltage Detectors • Electrical Fasteners
- Tape • Insulation Accessories

WORKSHOP & FABRICATION TOOLS

- Welding Machines (Arc/MIG/TIG)
- Cutting Torches • Gas Regulators
- Bench Vices • Pipe Vices • Clamps
- Hydraulic Jacks • Pullers • Chain Hoists

HAND TOOLS & POWER TOOLS

- Adjustable Wrenches • Spanners (Metric/Imperial)
- Screwdrivers • Pliers • Allen Key Sets • Hammers
- Punches • Chisels • Pipe Cutters • Wire Strippers
- Angle Grinders • Drills • Impact Wrenches
- Cut-off Machines • Rotary Hammers • Blowers
- Heat Guns • Power Screwdrivers

INDUSTRIAL PIPING & FLOWLINE SOLUTIONS

FITTINGS & FLANGES

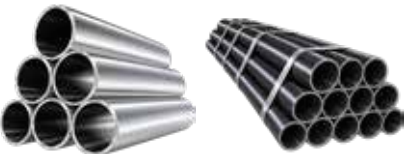

- Elbows (45° / 90° / LR / SR) • Tees & Crosses
- Reducers • Threaded Fittings (NPT, BSP)
- Pipe Unions & Couplings
- Pipe Nipples & End Caps • Weld-Neck Flanges
- Slip-On Flanges • Blind Flanges
- Threaded Flanges • Spiral-Wound Gaskets
- PTFE Gaskets • Graphite Gaskets

FASTENERS & ACCESSORIES

- Studs
- Nuts & Bolts (API 20E, Xylan Coated)
- Washers
- Flange Bolting Kits
- Pipe Support Clamps & U-Bolts
- Thread Sealants
- Pipe Hangers

PIPES & TUBING

- Carbon Steel Seamless & ERW Pipes
- Stainless Steel Seamless & ERW (SS304, SS316, SS316L)
- PVC SCH 40 & SCH 80 Pipes
- CPVC & UPVC Pressure Pipes
- HDPE Pipes • Copper Pipes & Tubes • PPR Pipes

VALVES

- Gate Valves
- Globe Valves
- Check Valves
- Ball Valves
- Butterfly Valves
- Pressure Relief Valves
- Pressure Reducing Valves
- Manual & Control Valves

HOSES & COUPLINGS

- Hydraulic Hoses (with Crimping Services)
- Stainless Steel Metallic Hoses
- Concrete Pump Hoses • Oil Hoses • Steam Hoses
- Chemical Hoses • Food Hoses • Gas Hoses
- Air Hoses • Water Hoses • Thermoplastic & Freon Hoses
- Quick Release Couplings & Camlock Fittings
- Hammer Unions
- Drilling & Industrial Hose Assemblies

EQUIPMENT RENTAL

Sterling Advanced Trading Company (SATCO) provides reliable heavy equipment rental solutions across Saudi Arabia, offering a wide range of well-maintained equipment to support construction, industrial, infrastructure, and project requirements with efficiency, flexibility, and dependable service.

HEAVY LIFTING EQUIPMENT

- MOBILE CRANES
- CRAWLER CRANES
- ROUGH TERRAIN CRANES
- FLATBED TRAILER
- LOW BEDS

EARTH MOVING EQUIPMENT

- EXCAVATOR
- WHEEL LOADER
- DOZERS
- BACKHOE
- BOBCAT
- GRADER
- ROLLER COMPACTOR

TRANSPORTATION EQUIPMENT

- DUMP TRUCKS
- PICK UP
- DYNA
- BUSES
- TRAILERS
- ETC.

MATERIAL HANDLING EQUIPMENT & AERIAL WORK PLATFORMS

- FORKLIFT
- MANLIFT
- SCISSOR LIFT

ENERGY SERVICES

Sterling Advanced Trading Company (SATCO) provides comprehensive power generation solutions designed to meet the diverse energy requirements of industrial, commercial, and project-based operations.

From generator rental and portable power solutions to complete turnkey power systems, we support our clients with reliable equipment, installation, testing, commissioning, and technical assistance. Our solutions include both diesel and natural gas generators suitable for standby, temporary, and continuous power applications.

We provide dependable power solutions for temporary site requirements, maintenance and repair works, peak-load support, project delays, emergency situations, and seasonal demand.

With a strong focus on reliability, efficiency, and responsive service, Sterling Advanced Trading Company delivers flexible short-term and long-term power solutions tailored to each customer's operational needs.

TEMPORARY STORAGE FACILITIES

As a company specializing in safe storage systems, our products include outdoor explosion-proof containers, intelligent safety cabinets, flammable safety cabinets, acid storage cabinets, narcotic cabinets, spill containment pallets, fireproof filing cabinets, magnetic-proof data cabinets, etc.

- **Portable Storage Cabins**
Steel or insulated cabins used for general storage.
- **Container Storage Units**
20ft or 40ft shipping containers converted for industrial storage.
- **Sheltered Warehouses**
Temporary steel-frame sheds with roofing and side cladding.
- **Climate-Controlled Cabins**
Used for sensitive equipment, electronics, or chemicals.
- **Hazardous Material Stores**
Special cabins with ventilation and safety features for chemicals or flammable items.

PORTABLE CABINS

Portable cabins are modular, prefabricated structures you can quickly install, relocate, or expand — making them ideal for industrial environments like plants, construction zones, and remote operations. They typically require minimal site preparation and can be used for:

- **Site Offices & Control Rooms**
Workspace for supervisors and staff.
- **Worker Accommodation & Break Rooms**
Dorms, rest areas, canteens.
- **Special-Purpose Units**
First-aid/medical cabins, labs, locker rooms.
- **Storage & Equipment Shelters**
Secure and movable storage space.
- **Security & Gatehouses**
Guard posts at entry points.
